## MISSION

We Aim to Create a More Secure World, Helping Safeguard Our Clients' futures and supporting their pursuit of success. Our clients face intensifying pressure to secure their people, property, facilities, and reputation against evolving threats ranging from criminal activity to geopolitical developments. Blue I ensures their most valuable assets are always protected. To achieve this, we combine our comprehensive security and safety capabilities with integrated technology expertise to deliver compliant, end-to-end risk management solutions.

## VISION

To be recognized as the global leader in providing security solutions.

## VALUES

Reliable, Disciplined, Professional, Ethical.

## TRAINING & DEVELOPMENT

Empire Eagle training and development is an ongoing process. Training begins with initial audio/visual modules and continues throughout the security guard's tenure with the company. In addition, Empire Eagle Security offers a Tuition Reimbursement Program which pays for college credits taken in approved programs such as criminal justice, business management, law, and formal business communications programs. Pristine Security is committed to developing security guards to their fullest capacity consistent with their career objectives. In this way, Pristine Security abides by a promote-from-within policy.

**"Security is not a product, but a process."**

- Bruce Schneier

# SERVICES

At Empire Eagle, we cater a full range of services suitable for all your security needs which complies with PIKM authority & Certified security guard standards.

## Static Guard (Malaysian & Nepalese)

Security static guards are seen to privately fulfil a policing function. This may be to protect property, assets or people. Security Training becomes crucial to ensure absolute professionalism and efficiency are maintained by the guard on the job. At Empire Eagle, all our security guards are fully screened and vetted by taking the following steps.

## Armed Guards (Ex-Police & Ex-Army)

Empire Eagle is careful in selecting the armed guards as our employees. However, Empire Eagle's priority for armed guards is to employ ex-policemen and ex-army who are professionally trained. We believe that their expertise and experience in handling the weapons can be beneficial for both parties; the clients and also the company.

## Private Investigation

Empire Eagle's Private investigation department consists of a team of expert and highly experienced investigators. We also specialize in Commercial Crime, Copyright Patent Infringement, and Background Screening. Investigations must necessarily be in the overall interest of the corporation or company concerned and will be carried out confidentially.

## Guard Dogs

Our Guards Dogs Unit is professionally police trained and has undergone sophisticated schooling together with their handlers to rise in any occasion to maximize our protection plan. This service is recommended for Ground Prevention and Building Patrol Surveillance. Our clients include the Warehouse, Stores, Housing Estates, Clubs, Factories and other enclosed property areas.

## Bodyguard Services

The Bodyguard's Services is to offer personal armed plain-clothes bodyguard service for close protection for business executives, business and professional people, to avoid VIPs kidnapping, physical assault and to prevent against the threat. If required, a personal security plan can also be tailored to meet individual needs.

## Central Monitoring Systems (CMS)

Central Monitoring System (CMS) is utilized to supplement effective operation covering assignments on a 24 hours basis. We are pleased to advise our clients, house residents, banks, factories, warehouses and others.

## Escort Services

Empire Eagle Security, is one of the established security companies in the region, specializing in escort services. We employ retired law enforcement personnel to provide complete Mobile Armed Escorts in transporting valuable products, providing either a single driver or a team from one point to another point.

## Cash-in-Transit (CIT)

This service is most needed by Banks, Finance institutions, Supermarkets and Factories when special transactions as required. The CIT armoured vehicles will be escorted by well-equipped armed guards for raising the safety.
